Hesper, and his best friend
Bee, had just a little
adventure on their way to
the gathering. They had been
flying along happily when a
gust of wind blew Hesper's
hat right off of his head!
They sped after it but
couldn't keep up. They asked
everyone they saw if they
had seen a rogue hat. They
asked seagull, hummingbird,
wasp, squirrel, spider, and
even a worm peeking up out
of the ground. None of them
had seen the hat. Then, as
they stopped at the stream
for a sip of water they saw
it, and guess whose
head it was on...
