

The stars twinkling above
have a special fondness for
the Pink Cloud Village. The
elves tell the stars very
funny jokes and when the
stars laugh, little star
seeds rain down upon the
village which the elves
then collect and store to
nibble on for
afternoon snack. The owls
love the star seed snacks
too and will swoop in for a
little bite to eat each
afternoon at precisely 3:00.

The stars' favorite joke so
far:

'How does the moon cut his
hair?'

'Eclipse it!' hahaha

They laughed so hard that a
million star seeds fell to
the village and...
